

L^AT_EX MANUSCRIPT PREPARATION GUIDELINES

All papers must be written and presented in English.

Authors must submit final manuscript as an electronic copy in pdf format. The electronic copy should be an attachment to an email message.

To be included in the Proceedings papers MUST reach the ISSF2006 Organizing Committee before 15th October 2006. Submission is interpreted as a statement that the author(s) have obtained all the necessary permissions and will present the paper at the ISSF.

The length of the paper should not exceed 6 pages, including text, figures, tables and references.

Captions of tables should be placed above and centered.

Captions of figures should be placed below and centered.

For all other formatting issues, please use the setting specified in the L^AT_EX template provided.
